

City of Detroit
Department of Recreation Performance Audit
Exhibit 2 – Kronk Center

Overall Evaluation – Poor Condition

- There were two courts with four hoops. One pole was broken and two hoops were missing nets.
- Cement was cracked and raised in some areas making an uneven playing area.
- Grass was growing through the play surface.
- Fence was rusty and worn.

Kronk basketball playing surface had cracked/raised cement making an uneven playing area. There was grass growing through the cracks and the fence was rusty and worn. The basketball hoop was missing a net. Painted court lines were missing.
